Breaking the Silence

Loreena Mckennitt

I hear some distant drumbeat A heartbeat pulsing low It is coming from within A heartbeat I don't know A troubled heart knows no peace A dark and poisoned pool Of liberty now lost A pawn an opressor's tool

Oh my heart must be strong And guide when eyes grow dim When ears grow deaf with empty words When I know there's life within

A gunfire shatters silence Where birds once sweetly sang A mother cradles a child now dead Now death where life began

From the troubled heart of South Africa Nicaragua's festering sore The turmoil on the streets of China Death crying out for more

A change is slow in coming My eyes can scarcely see The rays of hope come streaming Through the smoke of apathy

Oh my heart must be strong And guide when eyes grow dim When ears grow deaf with empty words When I know there's life within

May the spirit never die Though a troubled heart feels pain When this long winter is over It will blossom once again.
