

# Dante's Prayer

Loreena Mckennitt

**Ami**       **G**                   **C**  
When the dark wood fell before me  
**Ami**       **G**                   **F**  
And all the paths were overgrown  
**Ami**       **G**                   **C**  
When the priests of pride say there is no other way  
**Ami**       **G**                   **F**  
I tilled the sorrows of stone

I did not believe because I could not see  
Though you came to me in the night  
When the dawn seemed forever lost  
You showed me your love in the light of the stars

**Dmi**       **C**                   **G**  
Cast your eyes on the ocean  
**F**       **G**                   **C**  
Cast your soul to the sea  
**Dmi**       **C**                   **G**  
When the dark night seems endless  
**F**       **G**                   **F**  
Please remember me

Then the mountain rose before me  
By the deep well of desire  
From the fountain of forgiveness  
Beyond the ice and fire

Cast your eyes on the ocean  
Cast your soul to the sea  
When the dark night seems endless  
Please remember me

**Ami F C F C G (2x)**

Though we share this humble path, alone  
How fragile is the heart  
Oh give these clay feet wings to fly  
To touch the face of the stars

Breathe life into this feeble heart  
Lift this mortal veil of fear  
Take these crumbled hopes, etched with tears  
We'll rise above these earthly cares

Cast your eyes on the ocean  
Cast your soul to the sea  
When the dark night seems endless  
Please remember me  
Please remember me
