Samain Night

Loreena Mckennitt

When the moon on a cloud cast night Hung above the tree tops' height You sang me of some distant past That made my heart beat strong and fast Now I know I'm home at last

You offered me an eagle's wing That to the sun I might soar and sing And if I heard the owl's cry Into the forest I would fly And in its darkness find you by.

And so our love's not a simple thing Nor our truths unwavering But like the moon's pull on the tide Our fingers touch, our hearts collide I'll be a moonsbreath by your side.
