Walking Song

Los Lobos

She's got me walking, got me talking, Talking to myself. And I've got no money, Got no honey, trouble is all I have

It happened just the other night I had been out drinking and I was Feeling fine, but when I got home She was at the door, she had fire In her eyes. So I tried to keep my cool, wasn't Much more that I could do. Then she let me have it right between The eyes and I knew our love was thru

Now what is a man to do When a woman wants it all from you Says if you want to be my man Better quit that band and stop Acting like a fool
