Bustin at niggas, murderin niggas
Gettin bullshit ass money

Shout out to grandpa, you know what i'm sayin
Shout out to grandpa kelly
My man ralou's brother little Deven
Ya know I'm sayin, Freaky Taliq's moms, rest in peace
Know I'm sayin
Everybody wanna live the ill life, know i'm sayin
But yo we tryin ta live it like love, peace and nappiness
You know I'm sayin, word up

Verse 1

I'm growing up in the ghetto
And there was nobody happy
And my head is mad nappy and
I'm thinkin up a way that I can get some dough
Man I'm tryin ta blow
But yet this record shit is so slow
I got the whole family on my back
All I do is eat and sleep
Run the street with that steel pack
You know the lost boyz got
With timbs and jeans
Field jackets, and hats coverin the eyes
But listen, that's how it is
If you don't dig how I live
Motherfucka (???)
Cuz everyday on the street
The black man is gettin beat
Police line us up on the concrete
Now people look at me
And always see wrong
A new problem everyday
I'm tryin ta be strong
Now how strong can a nigga be
When the blacks is locked down
And the white man's got the key
It's gettin harder day after day
Somebody got ta pay
And in my closet lays an AK
The new (???) is found dead
Plus when he killed the girl
He put the gun to his own head
Ya never hear it on the 6:00 news
When my niggas get killed in the street over tennis shoes
It's hard enough for us blacks to earn cash man
The homeless keep warm by settin fire to a trash can
Now everyday I need ends

New (???) my nigga weed
 St. Ides is my best friend
 Pa's is broke
 No calls comin in on my phone
 And money I'm down to my last stone
 My mom dukes is always bangin on my door
 My music's too loud
 I got clothes on the floor (pick em up)
 She doesn't understand
 I'm cruisin in the fast lane
 I'm fresh outta nerves
 Ma, you're workin on my last vein
 Now how can I explain
 That I don't wanna take her out
 But that's stuck in my brain
 We're havin fight after fight
 Because I leave when it's bright
 And comes home the next night
 But that's the life that I live understands me
 It's bad enough that Po-Nine tried ta can me
 Ayo my lifestyle is rough
 I got three sisters, four brothers
 Man, ain't this enough?
 But yet I gots no hero
 But I got the 411 on the ghetto
 Tune into channel zero
 Tune into channel zero
 Tune into channel zero
 Chorus:
 Everybody in the world
 Everybody uptown
 Everybody in Queens
 Tune into channel zero
 Everybody in Brooklyn
 Everybody in the Bronx
 Everybody in the world
 Tune into channel zero
 Verse 2:
 I live in Queens, New York (what you do?)
 I twist a cap with my niggas
 Smoke a blunt let's start to talk
 About this ill situation
 That us blacks is in
 It's time we build a better nation
 Motherfuck them police
 Some whites talk about peace
 (?????)
 But they ain't ready for the planet
 Marky Mark be talkin that slang
 But he don't even understand it
 Yea I said Marky Mark
 Frontin like the buddarist punk
 I never saw you in the park
 You give it all to your bullshit skills G
 A white boy actin black, that shit kills me
 Pants hangin, talkin slang kid and all that
 I never seen you in the projects or black
 Ya never wons no grammy
 Ya whites gave Elvis a stamp
 But what ya plan ta give my man Sammy?
