Last Train Home

Lostprophets

```
C Emi D (2x)
C Emi
To every broken heart in here
       Emi
Love was once a part, but now it's disappeared
                  С
She told me that it's all a part of the choices that your making
    С
Even when you think you're right
You have to give to take
But there's still tomorrow
Emi
Forget the sorrow
And I can be on the last train home
Watch it pass the day
 Emi
As it fades away
No more time to care
 D C
No more time, today
      С
But we sing
If we're going nowhere
Yeah we sing
If it's not enough
And we sing
Sing without a reason
To ever fall in love
C Emi
I wonder if you're listening
C Emi
Picking up on the signals
Sent back from within
                                 Emi
                    С
Sometimes it feels like I don't really know whats going on
         C Emi D
Time and time again it seems like everything is wrong in here
But there's still tomorrow
```
