

Lucky Punch

Lou Bega

Time is running and time is right
Time is up all in the sight
Time is ticking day and night
Fairaiyo

Time is what we never have
What we possess to the very last breath
To keep your balance and keep your path
Fairaiyo

All you need a lucky punch
Go kick it! Day by day we rule
All you need a lucky punch
Go kick it!
Fairaiyo

All you need a lucky punch
Go kick it! It's time to say hello
All you need a lucky punch
Go kick it!
Fairaiyo

Walk me over and walk me tight
Watch your step and everything is alright
Standing tall is just the way we fight
(Fairaiyo)

Light its self is the wake up call
All for one and one for all
Do not forget to pass the ball
Fairaiyo

All you need a lucky punch
Go kick it! Day by day we rule
All you need a lucky punch
Go kick it!
Fairaiyo

All you need a lucky punch
Go kick it! It's time to say hello
All you need a lucky punch
Go kick it!
Fairaiyo

All you need a lucky punch
Go kick it! Day by day we rule
All you need a lucky punch
Go kick it!
Fairaiyo

All you need a lucky punch
Go kick it! It's time to say hello
All you need a lucky punch
Go kick it!
Fairaiyo
