

# All Around The World

Lou Rawls

Well, if I don't love you baby  
Grits ain't groceries, eggs ain't poultry  
And Mona Lisa was a man

All around the world I'd-a rather be a fly  
I'll lite on my baby n' stay with her 'till I die  
With a toothpick in my hand, I'd dig a ten foot ditch  
And run through the jungle fightin' lions with a switch

'Cause you know I love you, baby  
Yes, you know I love you, baby  
Well, if I don't love you, baby  
Grits ain't groceries, eggs ain't poultry  
And Mona Lisa was a man

All around the world I got blisters on my feet  
Tryin' to find my baby n' bring her home with me  
You better run into me baby and be convinced  
If you don't run into me, woman, you ain't got no sense

'Cause you know I love you, baby  
Well, you know I love you, baby  
Well, if I don't love you, baby  
Grits ain't groceries, eggs ain't poultry  
And Mona Lisa was a man

All around the world, I never will forget  
Lost all my money, my woman and my pet  
I got to have you baby, settle for nothin' less  
Give up all my goodtime girls an' set'd for happiness

'Cause you know I love you, baby  
Well, you know I love you, baby  
Well, you know I want you, baby  
Yes, your smilin' face is my heaven in life

Well, you know I love you, baby  
Yes, you know I love you, baby  
Ooh-ooh, you know I love you, baby  
Yeah, you know I love you, baby

Well, if I don't love you, baby  
Grits ain't groceries  
Eggs ain't poultry  
Mona Lisa was a man.
