

All The Way

Lou Rawls

When somebody loves you
It's no good unless he loves you all of the way
Happy to be near you
When you need someone to cheer you all of the way

Taller than the tallest tree is
You know... That's, that's how its got to feel
Deeper than the deep blue sea is
You know... That's how deep it goes if its really real

So when somebody needs you
It ain't no good unless he needs you
every step of the way
Through the good or lean years
All the in between years come what may

Now who knows where the road is gonna lead us
Only a fool would say
But I tell you if you'll let me love you
It's for sure I'm gonna love you
I'm gonna love all of the way
I'm gonna love you baby all of the way
