

# Got To Get You Into My Life

Lou Rawls

I was alone, I took a ride  
I didn't know what I would find there  
Another road where maybe I  
Could find another kind of mind there  
I said, oh, then I suddenly saw you  
Oh, did I tell you I need you  
Every single day of my life?

I've got to get you into my life  
I've got to get you into my life  
Into my life

You didn't run, you didn't lie  
You knew I wanted just to hold you  
And had you gone, you knew in time  
We'd meet again, for I had told you  
I said, oh, you were meant to be near me  
Oh, and I want you to hear me  
Every single day of my life

I've got to get you into my life  
I've got to get you into my life  
Into my life

What can I do? What can I be?  
When I'm with you I want to stay there  
If I'm true, I'll never leave  
And if I do I know the way back there  
I said, oh, then I suddenly see you  
And, oh, did I tell you I need you  
Every single day of my life?

I've got to get you into my life  
I've got to get you into my life  
Into my life

I've got to get you into my life  
Baby, what are you gonna do with my life?  
I've got to get you  
I've got to get you into my life
