

# I'm Gonna Move to the Outskirts of Town

Lou Rawls

I'm gonna move  
Way out on the outskirts of town  
I'm gonna move  
Way out on the outskirts of town

I don't want nobody  
Who's always hangin' around

I'm gonna tell you, baby  
We gonna move away from here  
I don't want no iceman  
I'm gonna buy me a Frigidaire

When we move  
Way out on the outskirts of town  
Now I don't want nobody  
Who's always hangin' around

Bring my own groceries  
Bring em everyday  
God I'll stop that grocery boy  
And keep him away

When we move  
Way out on the outskirts of town  
Now I don't want nobody  
Always hangin' around

It may sound funny, honey  
As funny as can be  
But if we have any children  
I want them all to look just like me

When we move, move, move, move  
Way out on the outskirts of town  
I say I don't want nobody  
Always hangin' around
