

Lost and Lookin'

Lou Rawls

Lost and lookin' for my baby

Wonder why my baby can't be found

Lost and searchin' for my baby, baby

Lord knows my baby ain't around

Crying for my baby

Crying all alone

Calling for you, baby

Come on home

Lost and a-calling for my baby

Baby, baby, won't you please come on home

Crying for my baby

Crying all alone

Calling for you, baby

Come on home

Lost and a-calling for my baby

Baby, baby, won't you please come on home

Baby, come on home
