

## Sweet Lover

Lou Rawls

I say, I bet'cha never thought you'd find a sweet lover  
You'd never find a man like me  
I bet'cha never thought you'd find a sweet lover  
You'd never find a man like me  
Oh-ho, oh yeah, a sweet lover, yeah

I say, no matter how I treat'cha baby, you like it  
I know it 'cause you told me so  
No matter how I treat you baby, you like it  
I know it 'cause you told me so  
Oh-ho, oh yeah, a sweet lover

Oh yeah, I've got my hooks in you  
Uh-huh, umm, but I guess you've got me too

They know I never ever thought I'd find a sweetlover  
I'd never find a girl like you  
Oh no, I never ever thought I'd find a sweet lover  
Sweet girl like you  
Oh-ho, oh yeah, sweet lover, yeah  
A sweet lover

Oh yeah, I've got my hooks in you  
Uh-huh, but I guess you've got me too

Oh no, I never ever thought I'd find a sweet sweet lover  
A sweet girl like you  
Oh no, I never ever thought I'd find a sweet sweet lover  
A sweet girl like you  
Oh-ho, oh yeah, sweet lover  
Oh-ho, oh yeah, sweet lover  
Yeah, yeah, yeah  
Yeah, yeah yeah, sweet lover

Well you know I love you baby, I'd love you so  
I won't never ever never ever let you go  
I wanna hold your hand, keep you by my side  
Walk with you and let you wipe my weeped eyes  
I want your love, baby, come on home  
I need you girl better here by my side...
