

# That's Where It's At

Lou Rawls

Lights turned way down low  
And music soft and slow  
With someone you love so  
That's where it's at

Your world turned upside down  
You make not a sound  
No one else around  
That's where it's at

Your heart, beating fast  
You're knowing that time will pass  
But hoping that it lasts  
That's where it's at

That's where it's at  
Pretty baby  
That's where it's at  
Whoa, yes it is  
That's where it's at  
Pretty baby  
That's where it's at  
Oh yeah

Let me tell you this one thing

To say, "It's time to go"  
And she says, "Yes, I know, but just stay one minute more"  
That's where it's at  
Oh let me say it one more time  
That's where it's at  
Pretty baby  
That's where it's at  
I know that's where it's at  
That's where it's at  
Pretty baby  
That's where it's at
