

Bell Bottom Pants

Loudon Wainwright III

This song is dedicated to the United States Navy

1, 2, 3, 4

Everybody got the bell bottom pants
Ain't got the pants, ain't got a chance
At the pop festival, rock festival or folk festival or the dance,
oh baby

Dururu bell bottom pants
Dururu bell bottom pants

I went down to the dance and I took a glance and
Everybody was looking askance at me, I didn't have them pants

Dururu bell bottom pants
Dururu bell bottom pants

If you wanna enhance your chances
At the pop festivals and the rock festivals, folk festivals or
the dances
Get yourself a pair of them pantses
That's right the bell bottom pantses

Yes the bell bottom pants

Everybody got them bell bottom pants
If y'ain't got the pants, y'ain't got a chance
At the pop rock folk slop bop dance, baby

Oh them pants
Oh them pants
Oh them pants
Oh the bell bottom pants
