

## Come A Long Way

Loudon Wainwright III

We've come a long way since we last shook hands  
Still got a long way to go  
We couldn't see the flowers since we last shook hands  
Couldn't see the flowers on account of the snow

What did you do with your burden and your cross  
Did you carry it yourself or did you crack  
You and I know that a burden and a cross  
Can only be carried on one man's back

All my life I wanted to roam  
To go to the ends of the earth  
But the earth really ends where you started to roam  
You and I know what a circle is worth

Let's drink a cup to what went down  
There's not much left to reveal  
I think I changed my mind after what went down  
As to who in the end got the better deal

Give me your hand for the parting touch  
Fare thee well and thanks a lot  
I know that we promised we would keep in touch  
But you and I know that we both forgot

We've come a long way since we last shook hands  
Still got a long way to go  
Couldn't see the flowers when we last shook hands  
Couldn't see the flowers on account of the snow
