

## Glad To See You've Got Religion

Loudon Wainwright III

I'm glad to see you've got religion  
I'm glad to see you've gone to god  
I'm glad to see you've straightened all your lines  
And you've evened out your odds

I'm glad to hear you say you're happy  
I'm glad to hear you say it's good  
I'm glad to hear you say you're finally undoing  
All the things they know we should

Me I'm still in trouble  
sorry sick and sad  
Me I'm still in trouble  
But that's alright cuz I'm

Glad to see you've gotten careful  
About the things you eat and drink  
I'm glad to see you gotten choosy  
About the things you do and think

I'm glad to see you're getting so adept  
At all your mystic magic tricks  
I'm glad to see you're standing on your head  
and you're chopping with your sticks

I'm glad to know your psychic power  
is being put to proper use  
I'm glad to know you don't discharge a drop  
Of your procreative juice

Me I'm still in trouble  
Sorry sick and sad  
Me i'm still in trouble  
But that's alright cuz I'm

Glad to know you don't get raunchy  
I'm glad to know things are at hand  
I'm glad to know you have decided  
This will be your last life's stand
