

Hometeam Crowd

Loudon Wainwright III

Seven days of heaven, nine is the cloud
Yes, it's great to be one of the home team crowd

When the Lakers beat the Knicks in basketball
I beat my head up against the wall

When the Bruins beat the Rangers for that Stanley Cup

I got so drunk I could not stand up

When the Mets don't win, I get upset
I got a bullet hole in my TV set

Seven days of heaven, you know that nine is the cloud
You know it's great to be one of the home team crowd
