

Easy Love

Louie Austen

what did i do?
what did i wrong?
what did i say?
that you couldnt stay with me
and you decided to go.
was it the nights you waited for me,
or the days that that i didnt called
and tell you how much you mean to me.
where is this easy love
that happiness and joy.
where are those happy days
tell me wheree
easy love,easy love,
just you and me,
was it too simple for me.
what did i do?
what did i wrong?
was my love too weak
was it too strong
for you, to make you feel so blue.
so many flowers that i didnt bring
so many songs
that i didnt sing
for you,
i dont know what can i do
where is this easy love
that happiness and joy.
where are those happy days
tell me wheree
easy love,easy love,
just you and me,
was it too simple for me.
easy love,easy love,
just you and me,
was it too simple for me.
easy love,easy love,
just you and me,
was it too simple for me.
easy love,easy love,
just you and me,
was it too simple for me.
