

Goodnight My Love

Louis Prima

Goodnight my love, the tired old moon is descending
Goodnight my love, my moment with you now is ending
It was so heavenly, holding you, close to me
It will be heavenly to hold you again in a dream
The stars above have promised to meet us tomorrow
Till then my love, how dreary the new day will seem
So for the present, dear, we'll have to part
Sleep tight, my love, goodnight, my love
Remember that you're mine sweetheart

Goodnight my love, your mommy is kneeling beside you
Goodnight my love, to dreamland the sandman will guide you
Come now you sleepyhead, close your eyes, and go to bed
My precious sleepyhead, you mustn't play peek-a-boo
Goodnight my love, your little Dutch dolly is yawning
Goodnight my love, your teddy bear called it a day
Your doggy's fast asleep, my but he's smart
Sleep tight, my love, goodnight my love
