## **Just One Of Those Things**

## **Louis Prima**

As Dorothy Parker once said To her boyfriend, "fare thee well" As Columbus announced When he knew he was bounced, "It was swell, Isabel, swell"

As Abelard said to Eloise,
"Eloise don't forget to drop a line to me, please"
As Juliet cried, in her Romeo's ear,
"Romeo, why not face the fact, my dear

It was just one of those things
Just one of those crazy flings
One of those bells that now and then rings
Just one of those things

It was just one of those nights

Just one of those crazy flights

A trip to the moon on nuclear wings

Just one of those things

If we'd thought a bit, of the end of it When we started painting the town We'd have been aware that our love affair Was too hot, not to cool down

Oh, so farewell my good friend Here's hoping we meet now and then It was great fun But it was just one of those things

It was just one of those things
Just one of those crazy flings
One of those bells that now and then rings
Just one of those things

It was just one of those nights
Just one of those crazy flights
A trip to the moon on nuclear wings
Just one of those things

If we'd thought a bit, of the end of it When we started painting the town We'd have been aware that our love affair Was too hot, not to cool down

Oh, so farewell my good friend Here's hoping we meet now and then It was great fun But it was just one of those things ...just one of those things
