

# Robin Hood

Louis Prima

Robin hood and little John  
Walkin' through the forest  
Laughin' back and forth at what  
The other'un has to say

Reminisclin' this'n that'n  
Havin' such a good time  
Oo, de, lally, hoo, de, lally  
Golly, what a day

Never ever thinkin'  
There was danger in the water  
They were drinkin'  
They just guzzled it down

Never dreamin' that  
A schemin' sheriff and his posse  
Was a watchin' them  
And gatherin' all around

Robin Hood and little John  
Runnin' through the forest  
Jumpin' fences dodgin' trees  
And tryin' to get away  
Contemplatin' nothin' but escape

And fin'ly makin' it  
Oo, de, lally, hoo, de, lally  
Golly, what a day  
Oo, de, lally, hoo, de, lally  
Golly, what a day
