

## When You're Smiling

Louis Prima

When you're smiling  
When you're smiling  
And the whole world smiles with you  
And when you're laughing  
Oh, when you're laughing  
Mmm, man, the sun comes shining through

When you're crying  
You bring on the rain  
Stop your sighing  
Won't you be happy again?  
When you're smiling  
Keep on smiling  
And the whole world smiles with you

When you're laughing  
You bring on the joy  
Be happy, you've got to groove, my boy  
When you're smiling  
Keep on smiling  
And the whole world smiles with you, oh!

'Cause I'm the sheik of Araby  
(With your turban on)  
Ooo, your love belongs to me  
(With your turban on)  
Well, at night when you're asleep  
Baby, into your tent I'll creep  
(With your turban on)  
And the stars that shine above  
(Jumpin' as a jaybird)  
Will light our way to love  
And you'll rule this crazy land with me  
I'm the sheik-y man, that's who I be!
