

## Angel Eyes

### Love and Theft

She likes whiskey with her water  
She starts dancing when the stars come out  
She ain't your typical preacher's daughter  
She'll leave you dreamin' yeah there ain't no doubt

There's a little bit of devil in her angel eyes  
She's a little bit of heaven with a wild side  
Got a rebel heart a country mile wide  
There's a little bit of devil in her angel eyes  
A little bit of devil in her angel eyes

Saturday night she's rockin' out by the bonfire  
Flirting from that tail gate and crankin' up the dial  
Come Sunday mornin' she'll be singing with the choir  
Drivin' me crazy with that kiss me smile

There's a little bit of devil in those angel eyes  
She's a little bit of heaven with a wild side  
Got a rebel heart a country mile wide  
There's a little bit of devil in her angel eyes  
There's a little bit of devil in her angel eyes

And I can't stop wonderin' what it would feel like, to hold her  
all night  
She's got that something, that sexy innocence, she must be heav  
en sent

There's a little bit of devil in her angel eyes  
She's a little bit of heaven with a wild side  
Got a rebel heart a country mile wide  
There's a little bit of devil in her angel eyes

There's a little bit of devil in those angel eyes  
She's a little bit of heaven with a wild side  
Got a rebel heart a country mile wide  
There's a little bit of devil in her angel eyes  
There's a little bit of devil in her  
In those angel, in those angel eyes
