

Everybody Needs Somebody

LOVE PSYCHEDELICO

Everybody needs somebody, now
Ue ni miru hit and away.
And peace
Sanman de furaresou na fellows
Urei mo naku did it
Fusaide miru 3 days punks
My baby kowaresou na carnival
Somebody let them get out, oh yeah
Aimai ga yuushuu na pause
Kimi no mae de cry
Before the fight
I'll never give up
* sukisa Don't you feel sad?
Don't you feel pain?
All you want is love
Everybody wants, everybody needs
Kimi to Let it get back to the better
What you lost is love
Everybody wants, everybody needs
Everybody needs someone
Enzai wa hole in the sky, you dig it
Yume wa dummy kuruenai rock'n roll
Gouin de loose na people
Tameiki through the night
Baby toraenai right
Everybody needs somebody, now
To love, to live, tonight oh yeah
Everybody wants
Ippaisa
Mou
Itai dake de
Understand
Don't you feel blue?
Do you feel good?
Don't you feel glad?
Do you feel mad?
Don't you feel lost?
Do you feel sweet?
Things are going crazy, honey
Don't you feel me?
* repeat
Don't you feel sad?
Don't you feel shame?
All I want is love
Everybody wants, everybody needs
Kimi to Let it go back to the super situation
Everybody wants someone
Everybody needs someone
It's love
Everybody needs somebody, now
Koi mo naki uta dake no rock'n roll
Somebody meets somebody
Don't give up, don't give up
Don't you feel sad?
Don't you feel pain?
All you want is love
Everybody wants, everybody needs

Kimi to Let it get back to the better
What you lost is love
Everybody wants, everybody needs
Don't you feel sad?
Don't you feel shame?
All I want is love
Everybody wants, everybody needs
Kimi to let it go back to the better
What I lost is love
Everybody wants, everybody needs
** (wow) Let us together, now
(wow) For something better
(wow) Let us together, now
Everybody wants to love
Everybody needs to love
Everybody wants someone
** repeat 3x
