

## Doggone

Love

Once I had a pretty girl  
And pretty girl done gone  
Once I had a pretty girl  
To call my own  
Dee de dee...  
Once I had a shaggy dog  
Shaggy dog done gone  
Once I had a shaggy dog  
To call my own  
Dee de dee...  
Sha la la...  
Dee de dee...  
Once I had a singing group  
Singing group done gone  
Now I got another group  
Didn't take too long  
Dee de dee...  
Sha la la...  
Dee de dee...
