## **Black Out**

## Lovedrug

Lights out, punching your lights out, punching your: Hello, they call me, I am on the prowl (he's on the prowl) Hello, they call me, I am hailing a cab (he puts his hand to th e air) What kinds of vermin are creeping on the streets tonight It's 4a.m. and I am, is creeping on the streets tonight

I'll save my life for something good, oh yeah
For something good, oh yeah
For something good, oh yeah
And when you're punching skulls on your bathroom floor, oh yeah

Does it get you off? Oh yeah, does it get you off to know that Sometimes we all blackout

Lights out, poor thing that i am, all alone (He's standing cold in the rain) Hello, they call me, I am raging lightning (He puts his hand to the air) What kind of vermin are swimming on the street tonight It's 4 am and I am is coming after you tonight

She saves her life for something good, oh yeah For something good, oh yeah, For something good, oh yeah And when he's punching her skull on the bathroom floor, oh yeah

Does it get him off, oh yeah Does it get him off to know that sometimes we all blackout :

"Suck it up Dry your tears I'll lift you up" Says the angel here, "Little girl Feel the rage Turn your head Walk down that hall and put yourself to bed."
