

Royalty

Lovedrug

Fallen angel in your party dress
Give me a sign that I'm not dreaming no more,
I confess take the gun, there is no time
Your a goddess and I got one thing on my mind

Oh Lord, this is for sure
Stick up your hands and run

We are a covenant, one blood, I'm crowning it
We are royalty, I found love because of thee
Gimme your heart, gimme your soul
How are we damned if the devil don't know
We are a covenant and I'm a god because of it

One more sin before we cross the line
We are a royalty and now it is our time
Punch the glass bloody knuckled saints we are
Queen over jack, cross your heart we're going so far

We are a covenant, one blood, I'm crowning it
We are royalty, I found love because of thee
Gimme your heart, gimme your soul
How are we damned if the devil don't know
We are a covenant and I'm a god because of it

We are a covenant, one blood, I'm crowning it
We are royalty, I found love because of thee
Gimme your heart, gimme your soul
How are we damned if the devil don't know
We are a covenant and I'm a god because of it
