

# You'll Never Know

Lovehatehero

Another message on the phone  
Is left, and she is mad again.  
Am I inadequate?  
I tried so hard to break this mold I'm in,  
I don't know how to win;  
Unless I've given in.

Everyday, I feel that I can rise above,  
I don't know how to love.  
I don't know how to...

I'm tryin' to forget,  
But it's breakin' me instead.  
I can't live, without you, without you.  
I keep reading into this,  
And the pieces that I miss.  
I can't be, without you, without you.

Deeply down, strip me of my ego,  
You separate me,  
Uncomplicate me.  
Just so you know, I've never cried in a movie,  
And for you, it comes so easy.

I'm tryin' to forget,  
But it's breakin' me instead.  
I can't live, without you, without you.  
I keep reading into this,  
And the pieces that I miss.  
I can't be, without you, without you.

Now that without you,  
You wanna know, something about you.  
A moment ago,  
Tried to forget it.  
But you don't know,  
Something about you.  
Something about you.

I'm tryin' to forget,  
But it's breakin' me instead.  
I can't live, without you, without you.  
I keep reading into this, (reading into this)  
And the pieces that I miss.  
I can't be, without you, without you.

Now that without you...  
Something about you...  
A moment ago,  
Something about you;  
Just something about you.
