

# Don't Be So Serious

Low Roar

Weight  
Heavy bones  
Bloody eyes  
Sweaty clothes

New routine  
Bit of land  
To understand and know

Play my tricks  
Fragile mind  
Rest your head  
On me

Shut my eyes  
I'm not here  
There must be some mistake

Don't be so serious  
Don't be so serious  
Don't be so serious  
Don't be so serious

Watch your words  
Turn to dust  
As we forget  
As we move on

Still I refuse  
To let you slip away

Don't be so serious  
Don't be so serious  
Don't be so serious  
Don't be so serious  
Don't be so serious  
Don't be so serious  
Don't be so serious  
Don't be so serious
