

Sunflower

Low

When they found your body
Giant X's on your eyes
With your half of the ransom
You bought some sweet, sweet, sweet
Sweet sunflowers
And gave them
To the night

Underneath the Star of David
A hundred years behind my eyes
And with my half of the ransom
I bought some sweet, sweet, sweet
Sweet sunflowers
And gave them
To the night

Sweet, sweet, sweet, sweet sunflowers (4x)
And gave them
To the night
