

# Obama Nation

Lowkey

[Intro]

This track is not an attack upon the American people  
It is an attack upon the system within which they live  
Since 1945 the united states has attempted to  
Overthrow more than 50 foreign governments  
In the process the us has caused the end of life  
For several million people, and condemned many millions  
More to a live of agony and despair

[Verse 1]

The strength of your dreamin  
Prevents you from reason  
The American dream  
Only makes sense if youre sleepin  
Its just a cruel fantasy  
Their politics took my voice away  
But their music gave it back to me  
The land where their \_\_\_? Or consumed by consumption  
Killing themselves to shovel down food and abundance  
I guess a rapper from Britain is a rare voice  
America is capitalism on steroids  
Natives kept in casinos and reservations  
Displaced slaves never given reparations  
Take everything from Native Americans  
And wonder why I call it the racist experiment  
Afraid of your melanin  
The same as its ever been  
That aint gonna change  
With the race of the president  
I see imperialism under your skin tone  
You could call it Christopher Columbus syndrome

[Chorus 2x]

Is it Obamas nation or an abomination?  
Is it Obamas nation or an abomination?  
Is it Obamas nation or an abomination?  
Doesn't make any difference when they bomb your nation  
O! Say can you see by the dawn's early light  
What so proudly we hailed at the twilight's last gleaming  
Whose broad stripes and bright stars through perilous fight  
O'er the ramparts we watched were so gallantly streaming

[Verse 2]

The worlds entertainer  
The worlds devastator  
From Venezuela  
To Mesopotamia  
Your cameras lie  
Cause they have to hide the savage crimes  
Committed on leaders that happen  
To try and nationalize  
Eating competitions while the worlds been starvin  
Beat up communism with the help of bin-laden  
Where would your war of terror be without that man  
Every day you create more Nidal Hassans  
Kill a man from the military, youre a weirdo  
But kill a wog from the Middle East youre a hero  
Your country is causing screams that are never reaching ear holes  
America inflicted a million ground zeros  
Follow the dollar and swallow your humanity

Soldiers committing savagery you never even have to see  
Those mad at me, writing in emails angrily  
Im not anti-America, America is anti-me  
[Chorus 2x]  
Is it Obamas nation or an abomination?  
Is it Obamas nation or an abomination?  
Is it Obamas nation or an abomination?  
Doesn't make any difference when they bomb your nation  
And the rocket's red glare,  
The bombs bursting in air,  
Gave proof through the night  
That our flag was still there,  
O! Does that star spangled banner yet wave  
O'er land of the free and the home of the brave  
[Verse 3]  
I don't care if him and Cheney are long lost relations  
What matters more is the policies I lost my patience  
Stop debating bringing race into conversation  
Occupation and cooperation equals profit makin  
Its over - people wake up from the dream now  
Nobel peace prize, jay z on speed dial  
Its the substance within, not the colour of your skin  
Are you the puppeteer or the puppet on the string  
So many believe that they was instantly gonna change  
There was still Dennis Ross, Brzezinski And Robert Gates  
What happened to Chas freeman (APAC),  
What happened to Tristan Anderson its a machine that keeps that man breathin  
g  
I have the heart to say what all the other rappers arent  
Words like Iraq, Palestine - Afghanistan  
The wars on, and you morons were all wrong  
I call Obama a bomber Cause those are your bombs
