```
The views expressed on this track are not directly those of lowkey or logic,
we're just drawing attention to the lifestyles that some people lead
Lowkey: I was born in Birmancy, one of the south parts
Logic: And I was born in Bazara, southside of Iraq
Lowkey: We used to play football outside in the park
Logic: We used to dodge bullets outside in the dark
Lowkey: I never prayed, I was told there isn't a god
Logic: I prayed 5 times a day its like I lived in a mosque
Lowkey: Me, I'm easy with a pint and some cricket to watch
Logic: They sanctioned everything we got, so now it isn't a lot
Lowkey: My mum and dad worked hard, always had employment
Logic: My mom just left, and my dad got poisoned
I was young but I was told that the government did it
Lowkey: From my heart I can say that I love being British
I grew with 5 older, brothers and sisters
Logic: Yeah I had a lot of siblings but some have gone missing
Now it's just me and my little sis
Lowkey: Britain's got a lot of immigrants; they take our jobs everyday I swe
ar I'm sick of it
Logic: My Uncles trying to get to Britain quick
Lowkey: I'm trying to find a job
Logic: Me I'm still illiterate
Lowkey: every 2 weeks I'm signing on
Logic: we only had school a little bit
Lowkey: I got kicked out of school very early, labelled as an idiot
Logic: Before my uncle left us, he gave me his gun
Lowkey: my girl just gave me a son
Logic: You see its hot where I live, everyday I bake in the sun
Lowkey: Its cold where I live so I read every page of the sun
And I'm getting mad, with what I look at and read
Logic: I just met a couple elders that are good on their deen
Lowkey: My dad told me joining army would be good for the P's
Logic: I started meeting, now I'm training with the mujahedeen
Because I've heard that the westerners are coming with bombs
Lowkey: I spent months in the regiment training up to be shot
Logic: But this is my land, my country, ill defend it till I pass
Lowkey: I just got the message, that they're sending me to Iraq
[Chorus]
Our pain is the same fam, its all relative
They cried the same tears, you cried for your relatives
And one way or another, my brother were all relatives
Home is where the heart is, yeah that's where it is (2X)
Lowkey: Now I'm in the south of Iraq, it's a smelly place
I don't know who to trust, everybody's got a hairy face
Logic: And Basra's a scary place, its worse than it used to be
They're dropping bombs everyday
Lowkey: Even little boys are shooting me
Logic: I shoot at white faces, and any green suit I see
Lowkey: Every regiments lost a couple of troops; we've lost 2 or 3
Logic: I still go to pray in the same place the mosque used to be
Lowkey: I see little kids starving to death, with no food to eat,
But an orders an order, we've got to clean the city up
Logic: they see how we're suffering, and still they don't pity us
They shoot us every day, tomorrows probably me
Lowkey: We're trying to help these bastards, but its like they don't want to
be free
```

Logic: Yeah these people don't know what freedom is

Lowkey: I saw my colleague rape a woman against her will, but I didn't agree with it

Logic: I shot a soldier in the face, and then I had to run quick Lowkey: My sergeant got shot in his face by some dumb young kid,

Now I just want to go home that's where my heart is Logic: My heart is in Basra, and never will I part it

Lowkey: this wars going nowhere, tell me why did we start it? Logic: I'm fighting regardless till I'm resting where Allah is

Lowkey: come to think of it, I should have never joined the army

And when I think about it, I don't hate these Iraqi's

Logic: Yeah bullets flying past me, I'm scared but I can't run,

I take my sister upstairs and get my uncles old  $\operatorname{\mathsf{gun}}$ 

Lowkey: Don't know if its terrorists or just some civilians,

but I've been told to neutralize the threat up in that building

Logic: I see the soldiers they're about to pass, I take my pistol out and bl ast

Lowkey: A bullet whizzes by my face and tears my friends mouth apart,

I saw red, and starting shooting to make 'em all dead

Logic: I tried to guard my sister, but a bullet hit her forehead

Lowkey: I ran up the steps to see if I buried them all

But all I saw was my little sister dead on the floor  $% \left( 1\right) =\left( 1\right) +\left( 1\right$ 

Our pain is the same fam, its all relative

They cried the same tears, you cried for your relatives  $% \left( x\right) =\left( x\right) +\left( x\right)$ 

And one way or another, my brother were all relatives

Home is where the heart is, yeah that's where it is
