

# Goodbye

LP

The substance, the dealer  
The wiser, the realer  
The sun coming up  
And the touch of a healer  
The days of our lives  
The first time that I saw her  
The eyes of a savior  
I loved her and lost her

And I don't know why  
All I do is try  
It's a lonely night that talks to me, talks to me  
And it takes its toll, on the sweetest soul  
To release into peace and tell yourself to let it go

Goodbye to less than, goodbye  
Goodbye to wasting more time  
To all of the darkness where there should be light  
Goodbye, goodbye, goodbye

Yeah-Yeah-Yeah  
Yeah-Yeah-Yeah  
Yeah-Yeah-Yeah

The loveless, the what's next  
The subtext is complex  
And in the end we're all just having same sex  
Your heroes, your demons  
You're taught to believe in  
They change with the seasons  
Yeah fuck em', don't need em'

And I don't know why  
All I do is try  
It's a lonely night that talks to me, talks to me  
Takes a real shit show with a heart of gold  
To release into peace and to tell yourself to let it go

Goodbye to less than, goodbye  
Goodbye to wasting more time  
To all of the darkness where there should be light  
Goodbye, goodbye, goodbye

Ah-Oh

No more cry  
Wave goodbye  
It's alright, say goodbye  
No more cry  
Say goodbye  
It's alright, say goodbye  
No more cry  
Wave goodbye  
It's alright, say goodbye  
To all of the darkness where there should be light  
Goodbye, goodbye, goodbye

Adiós, Au revoir, Arrivederci  
I'll sing in any language you let me  
Yassou, Dosvendanaya, Odabo  
Goodbye let's say hello to tomorrow  
Adiós, Au revoir, Arrivederci  
I'll sing in any language you let me  
Yassou, Dosvendanaya, Odabo  
Goodbye let's say hello to tomorrow
