

## Perfect

LP

I got a nice ride you'd be perfect and any way we can work it  
It's a hard time for answers  
You could be my new dancer  
Eye candy and havoc  
You're so nice you look plastic  
You should feel lucky you have it  
But if you don't know  
You don't know

Blue sky and black top  
Suntan, wasteland  
Twirling and twisted  
Twilight, addicted  
Fragile and frantic  
Nasty, fantastic  
Profound and profane  
But if you don't know then you don't know

I got a nice ride you'd be perfect and any way we can work it  
It's a hard time for answers  
You could be my new dancer  
Eye candy and havoc  
You're so nice you look plastic  
You should feel lucky you have it  
But if you don't know  
You don't know

Wanting and watching  
Aimless, aching  
Romance and reckless  
Sexy, sexist  
Screaming and searching  
Dreaming, thirsting  
Burning and bright lights  
But if you don't know, you don't know
