

When I'm Over You

LP

Wanna fight, wanna get right
Wanna live, wanna never die
Gonna twist on the inside
The way I do

Do the thing in a new way
Forget the words that I heard you say
Tell myself it's a new day
Until it's true

Till I see the shape shift
And I feel the weight lift

Someday, someday
Some way, some way
When I'm over you
Someday, someday
Some way, some way
When I'm over you
Oh-oh-oh-oh-oh-oh
When I'm over you

Make love like the first time
Get high on my own supply
Dream on or the dream dies
That's the move

'Cause I see the shape shift
And I feel the weight lift

Someday, someday
Some way, some way
When I'm over you
Someday, someday
Some way, some way
When I'm over you
Oh-oh-oh-oh-oh-oh
When I'm over you
Oh-oh-oh-oh-oh-oh
When I'm over you

'Cause I see the shape shift
And I can feel the weight lift

Someday, someday
Some way, some way
When I'm over you
Someday, someday
Some way, some way
When I'm over you

Someday, someday
(Oh-oh-oh-oh)
Some way, some way
(Oh-oh-oh-oh)
When I'm over you
Someday, someday

(Oh-oh-oh-oh)
Some way, some way
(Oh-oh-oh-oh)
When I'm over you
