

# Heaven Can Wait

Lsd

The doctor just gave me the bad news  
I've been living like a queen in a castle  
Oh, dark spirits drivin' through me like a drive-tru  
You'll be my music, everybody getting high to

Yeah, I know it  
Yeah, I know it, now  
Time is running  
Time is running out

I gotta live  
Oh, oh-oh-ooh-ooh  
I gotta love  
Oh-oh-oh-oh-oh-oh-oh-oh-oh  
Said, I gotta breathe  
Oh-oh-oh-oh-oh-oh-oh-oh-oh  
No, disdain ain't for me  
No-no-no-no-no-no-oh-oh-oh

No, not today, baby heaven can wait  
No, not today, baby heaven can wait  
No, not today, baby heaven can wait  
No, not today  
No, not today

Tick tock and I'm praying for time  
You're my angel, put my heart on rewind  
So, babe could you do me a favour?  
Girl, could you be my saviour?  
Tick tock and I'm praying for time

Yeah, I know it  
Yeah, I know it, now  
Time is running  
Time is running out

See, I gotta live  
Oh, oh-oh-ooh-ooh  
I gotta love  
Oh-oh-oh-oh-oh-oh-oh-oh-oh  
Said, I gotta breathe  
Oh-oh-oh-oh-oh-oh-oh-oh-oh  
No, disdain ain't for me  
No-no-no-no-no-no-oh-oh-oh

No, not today, baby heaven can wait  
No, not today, baby heaven can wait  
No, not today, baby heaven can wait  
No, not today, baby heaven can wait

No, disdain ain't for me

No, not today, baby heaven can wait  
No, not today, baby heaven can wait  
No, not today, baby heaven can wait  
No, not today, baby  
No, not today babe
