

Where Did I Go Wrong

LSG

Come on, yeah, yeah, yeah, yeah
Uh huh, yeah, yeah, yeah, yeah
Who you know make you dance like I do? Huh?
Let me know who you know
Make you dance like I do?
L.S.G.

I remember when you gave a damn about me
And how I made you so happy
And now I wish that things could go
Back the way they used to be, girl

Tell me where did I go wrong
Do you have a answer for me, baby?
Where did I go wrong
'Cuz you're driving me crazy, crazy, crazy

Everything was cool yesterday
Until you told me you had to get away
Away, no explanation
You must be in a situation somewhere else

Gotta be
'Bout the only way you can leave me by myself

I remember when you gave a damn about me
And how I made you so happy
And now I wish that things could go
Back the way they used to be, girl

Tell me where did I go wrong
Do you have a answer for me, baby?
Where did I go wrong
'Cuz you're driving me crazy, crazy, crazy

Was it something your girlfriend said I did?
Or was it just a misconception of the life I live
Did I party too much for you, girl? Tell me what I gotta do?
Cuz never in my wildest dreams did I think you would leave

I remember when you gave a damn about me
And how I made you so happy
And now I wish that things could go
Back the way they used to be, girl

Tell me where did I go wrong
Do you have a answer for me, baby?
Where did I go wrong
'Cuz you're driving me crazy, crazy, crazy

All I wanted to do was be a man to you
I worked so hard to keep us together
Whatever it was that makes you wanna leave
Baby, I'm sorry, I wish you would tell me
Where did I go wrong?

Come on, yeah, yeah, yeah, yeah

Uh huh, yeah, yeah, yeah, yeah
Who you know make you dance like I do? Huh?
Let me know who you know
Make you dance like I do?
