

Song for Louie

Lucifer's Friend

Wings of time
Play the smiles of only you, my love
For the teardrops were falling
From a sad sad song
With you

And I've got a book filled with daydreams
Written in lonely rhymes
But the rhymes, they get harder
Without you

Though the autumn wind blows cold
And my song is new
Only you

Maybe someday, somewhere
You'll be listening to the magic
Of the dreams that were born
In an old-fashioned song
For understanding
And words that I penned in

Throwing the blinds when the sun comes up
That room is bare
Trying to put out the light of candle
Trying so hard
Though it's dark
I've tried so hard to forget
The smiles of you my love
But the tears, but the tears
Keep on falling from a sad sad song

And I've got a book filled with daydreams
You wrote in happy times
But the times they get harder
Without you

Though the summer wind blows warm
And my song is new
Only you

Baby, sometime, somehow
You'll have heard my song of magic, oh
In a dream that went wrong
In an old-fashioned song
For understanding
And words that I penned in

Throwing the blinds when the sun comes up
That room is bare
Trying to put out the light of candle
Trying so hard
Though it's dark
I've tried so hard to forget
The smiles of you my love
But the tears, but the tears
Keep on falling from a sad sad song
