Concrete And Barbed Wire

Lucinda Williams

This wall divides us
C G
On two different sides C G
But this wall is not real C G
How can it be real
D G
<pre>It's only made of concrete and barbed wire</pre>
Concrete and barbed wire C G
Concrete and barbed wire
D G
It's only made of concrete and barbed wire
G C G
Back in Algiers my darling broke my heart D
But he can't seem to break down this wall G G G
With two strong hands he couldn't move it at all $oldsymbol{D}$
And it's only made of concrete and barbed wire
Concrete and barbed wire
C G
Concrete and barbed wire
D G
_
It's only made of concrete and barbed wire
It's only made of concrete and barbed wire G G G
G C G Down in Opelousas dogs are at the gate
G C G Down in Opelousas dogs are at the gate D
G C G Down in Opelousas dogs are at the gate
G C G Down in Opelousas dogs are at the gate D And they're mean lord they're mean
G C G Down in Opelousas dogs are at the gate D And they're mean lord they're mean G C G There's a wall between us but it's not what is seems
G C G Down in Opelousas dogs are at the gate D And they're mean lord they're mean G C G There's a wall between us but it's not what is seems D G It's only made of concrete and barbed wire
G C G Down in Opelousas dogs are at the gate D And they're mean lord they're mean G C G There's a wall between us but it's not what is seems D G It's only made of concrete and barbed wire C G Concrete and barbed wire
G C G Down in Opelousas dogs are at the gate D And they're mean lord they're mean G C G There's a wall between us but it's not what is seems D G It's only made of concrete and barbed wire C G Concrete and barbed wire C G Concrete and barbed wire
G C G Down in Opelousas dogs are at the gate D And they're mean lord they're mean G C G There's a wall between us but it's not what is seems D G It's only made of concrete and barbed wire C G Concrete and barbed wire C G Concrete and barbed wire D G
G C G Down in Opelousas dogs are at the gate D And they're mean lord they're mean G C G There's a wall between us but it's not what is seems D G It's only made of concrete and barbed wire C G Concrete and barbed wire C G Concrete and barbed wire D G It's only made of concrete and barbed wire
G C G Down in Opelousas dogs are at the gate D And they're mean lord they're mean G C G There's a wall between us but it's not what is seems D G It's only made of concrete and barbed wire C G Concrete and barbed wire G C Somewhere in Louisiana my sugar's doing time
G C G Down in Opelousas dogs are at the gate D And they're mean lord they're mean G G G There's a wall between us but it's not what is seems D G It's only made of concrete and barbed wire C G Concrete and barbed wire C G Concrete and barbed wire G There's a wall between us but it's not what is seems G G Somewhere in Louisiana my sugar's doing time D But he can't spend time with me
G C G Down in Opelousas dogs are at the gate D And they're mean lord they're mean C G There's a wall between us but it's not what is seems D G It's only made of concrete and barbed wire C G Concrete and barbed wire C G Concrete and barbed wire D G It's only made of concrete and barbed wire D But he can't spend time with me G C G
G C G Down in Opelousas dogs are at the gate D And they're mean lord they're mean G C G There's a wall between us but it's not what is seems D G It's only made of concrete and barbed wire C G Concrete and barbed wire C G Concrete and barbed wire C G Somewhere in Louisiana my sugar's doing time D But he can't spend time with me G C G It he could get over this wall he'd see
