

Go Home

Lucius

I'm your dolly
Stuffed with extra baggage
Lay me down to shut my eyes
Beaded gazes
Lead you nowhere anyways
Press on my heart, I will say
Press on my heart I will say

I am lonely
With a static smile
I think my stitching's coming loose
I'm hard headed,
But completely soft inside
I'm all wound up and still
The only thing that I can say is

I don't need you anyway
I don't need you, go home
Go home
I don't need you anyway
I don't need you, go home
Go home

I'm your dolly
Stuffed with extra baggage
Lay me down to shut my eyes
Beaded gazes
Lead you nowhere anyways
Press on my heart, I will say
Press on my heart I will say

I don't need you anyway
I don't need you, go home
Go home
I don't need you anyway
I don't need you, go home

Go home
Go home
Go home
Go home
Go home
