

Lie a Little Better

Lucy Hale

I just missed my exit
Last night I lost my keys
I'm fumbling over the words I
Don't feel a bit like me these days

I would be a liar if I said I was fine
But I cant help being honest
And I know now is not the time
Cuz

The truth is I'm fallin to pieces
Anytime that you're around
Trouble is the truth keeps slippin out

Cant seem to hide what I'm feelin
Cant believe what I'm sayin out loud
Truth is theres no turnin back now
I guess I shoulda learned how to lie a little better

Been trying to cover
This heart out on my sleeve
Been set on playing this down but
I think your catchin on to me

The truth is I'm fallin to pieces
Anytime that you're around
Trouble is the truth keeps slippin out

Cant seem to hide what I'm feelin
Cant believe what I'm sayin out loud
Truth is theres no turnin back now
Well, I guess I shoulda learned how to lie a little better

I'm losing this battle
With every word I say
Wish I had a better lesson
Of not givin myself away
Cuz

The truth is I'm fallin to pieces
Anytime that you're around
Trouble is the truth keeps slippin out

Cant seem to hide what I'm feelin
Cant believe what I'm sayin out loud
Truth is theres no turnin back now
Well, I guess I shoulda learned how to lie a little better
