

Ring My Bell

Lucy Woodward

I'm glad you're home
Now did you really miss me?
I guess you did by the look in your eye, your eye
Well, lay back and relax
While I put away the dishes
Then you and me can rock a bell

You can ring my bell, ring my bell
You can ring my bell, ring my bell

The night is young
And full of possibilities
So come on and let yourself be free
My love for you
So long I've been watin'
Tonight was made for me and you

You can ring my bell, ring my bell
You can ring my bell, ring my bell
You can ring my bell, ring my bell
My bell, ring my bell

You can ring my bell
You can ring my bell
Dong, ring it
You can ring my bell
Anytime, anywhere
Ring it, ring it, ring it, ring it, ring it

You can ring my bell
You can ring my bell
Dong, ring it
You can ring my bell
Anytime, anywhere
Ring it, ring it, ring it, ring it, ring it
