

If you want me  
Why don't you want me?  
If you want me  
Like I want you?  
If you need me  
Then why don't you need me?  
If you need me  
Like I need you?  
If you love me  
Then why don't you love me?  
If you love me  
Like I love you?

I don't want love from anyone else

I know we're galaxies away  
But don't walk away from me  
No further baby  
I can't take it  
I don't wanna be wrong  
Don't care to be right  
All I'm asking that you give me your love  
No compromise  
Is that too high?  
God knows we are both different

That's what gives us life  
Don't leave  
Don't let it die

If you want me  
Why don't you want me?  
(Why don't you want me?)  
If you want me  
Like I want you?  
If you need me  
Then why don't you need me?  
(Why don't you need me?)  
If you need me  
Like I need you?  
(Like I need you)

If you love me  
Then why don't you love me?  
(Why don't you love me?)  
If you love me  
(Why don't you love me?)  
Like I love you?

I don't love from anyone else
