

## All Behind

Lullacry

Another day  
Passing by  
Another page  
Unmarked

If a new day arises  
While the old one dies  
Hear me out I'm done with denial  
I'll soon leave this all behind

So forward I go  
Take a stronger stand  
This time around  
I'll do everything I can

I'll survive  
Leave all, leave all this behind
