Couldn't help hear you talkin' to your best friend  
Said you're not satisfied  
Things ain't workin' out with your girlfriend

So you're searchin' for someone new  
Someone to hold you tight, someone to treat you right  
Though you're girlfriend's a friend of mine

Don't like to do the things you like to do

What she did to you (Uh-uh)  
Show you lovin' like she used to

Well, I've been watchin' you, boy  
And I got what you want, got what you need  
Though you're girlfriend's a friend of mine
