

Dream Lover

Lulu

Dream lover, where are you
With a love oh so true

Every night, I hope and pray
A dream lover will come my way
A boy to hold in my arms
To know the magic of his charms

Because I want, I said, a boy
Just to call my own
I want a dream lover
So I don't have to dream alone

Dream lover, where are you
With a love oh so true
And a hand that I can hold
To feel near as I grow old?

Because I want, I said, a boy
Just to call my own
I want a dream lover
So I don't have to dream alone

Someday, I don't know how
I hope you'll hear my appeal
Some way, I don't know how
He'll bring his love to me

Oh, dream lover, until then
I'll go to sleep and dream again
That's the only thing to do
'Til all my lover dreams come true

Because I want, I said, a boy
Just to call my own
I want a dream lover
So I don't have to dream alone

Aww, dream lover, until then
I'll go to sleep and dream again
That's the only thing that I can do
'Til all my lover dreams come true

Because I want, I said, a boy
Just to call my own
I want a dream lover
So I don't have to dream alone

I want a dream lover
So I don't have to dream alone

I said, I want a dream lover
So I don't have to dream alone

(Yeah yeah yeah yeah) Yeah yeah yeah yeah
(Yeah yeah yeah yeah) Yeah yeah yeah yeah
(Yeah yeah yeah yeah) Yeah yeah yeah yeah
