

## How 'Bout Us

Lulu

Short and sweet  
No sense in dragging on past our needs  
Let's don't keep it hanging on  
If the fire's out, we should both be gone  
Some people are made for each other

Some people can love one another for life  
How 'bout us?  
Some people can hold it together

Last through all kinds of weather, can we?  
Now don't you get me wrong  
'Cause I'm not trying now to end it all  
It's just that I have seen  
Too many lovers' hearts lose their dream  
Some people are made for each other

How 'bout us  
How 'bout us  
Baby?  
How 'bout us  
How 'bout us  
Baby?  
How 'bout us  
How 'bout us  
Baby?

Are we gonna make it  
Girl

Or are we gonna drift and drift and drift?  
Some people are made for each other

How 'bout us  
Baby?  
Some people are made for each other

How 'bout us  
Baby?
