

## Hum a Song (From Your Heart)

Lulu

Bum bum, bum bum bum bum bum  
Bum bum, bum bum bum bum bum bum  
Bum bum, bum bum bum bum bum bum

People, gather around  
And hear this brand new sound  
I know you're gonna dig it  
'Cause you're hip and adore me, yeah

Well I know I'm gonna cry  
'Cause it's feeling deep inside  
And you can't turn away  
That you feel to another human being, yeah

Come on and hum a song from your heart  
You gotta just hum a song from your heart  
Hear your heart go

Bum bum, bum bum bum bum bum

Well if you're feeling low  
You'll forget it, 'cause I know  
Everyone can do it if you try  
It's been done before

And if you'll hum a song  
From your heart, it won't be wrong  
And you'll walk away leaving all your troubles  
When you close your door, yeah

Come on and hum a song from your heart  
You gotta just hum a song from your heart  
Hear your heart go

Hum a song from your heart  
You gotta just hum a song from your heart  
Come on and hum a song from your heart  
Everybody, hum a song from your heart  
Yeah, yeah  
Come on now, hum a song from your heart  
Come on, everybody  
Yeah, yeah
