

I Started A Joke

Lulu

I started a joke, which started the whole world crying,
But I didn't see that the joke was on me, oh no.

I started to cry, which started the whole world laughing,
Oh, if I'd only seen that the joke was on me.

I looked at the skies, running my hands over my eyes,
And I fell out of bed, hurting my head from things that
I'd said.

Til I finally died, which started the whole world living,
Oh, if I'd only seen that the joke was on me.

I looked at the skies, running my hands over my eyes,
And I fell out of bed, hurting my head from things that
I'd said.

'Til I finally died, which started the whole world living,
Oh, if I'd only seen that the joke was one me.
